

[Advanced Professional Plumbing and Heating Services London](#) can say "***we are different***"

– we

are a trustworthy family run business. We answer the phone 24 hours a day, 365 days a year. We always look for dedicated staff who are service minded who can give you friendly service. We work hard to find talented plumbers, gas safe heating engineer, and other trades engineers who can deliver good service to all customers and provide you the high quality of workmanship. The benefits of using a family run business is that get personal touch, helpfulness and honesty.

You have extra peace of mind that you will be looked after as a member of family. Our specialist team can be contacted 24 hours a day 7 days a week. We've been recommended by the "Time Out London Magazine" and been twice on "Working Lunch" BBC2 and also been awarded in 2008, 2010 and 2011. Our plumbers are proper GAS SAFE REGISTERED (CORGI) with over 15 years of experience.

---

Our company founder has over 15 years experience in the Commercial and Domestic

Gas, Heating, Plumbing industry as well as Air-Conditioning, Refrigeration, Commercial Catering, Electrical. His extensive knowledge and multi skill he has actually helps the business grow rapidly and there are many engineers that are trained by him and they all have met his high standards. All of his team are here to help you with all technical issues or questions you have 24 hours a day. His team and himself have lots of experience to work things that are really complicated out and to guide you how to deal with some real-nasty emergency problems over the phone. This is for your peace of mind to know there is someone there for you just in case you are stuck with technical issue. Our reliable trade's experts are always there to be sent out to get you out of troubles 24 hours a day 7 days a week throughout all holidays and festive periods.

Apart from the initial [plumbing & Heating](#) / gas services that we have been providing for years and set up by our competent founder. He has had expanded the business from domestic gas to commercial level and get all commercial engineers to assist with different types of trade's services you will definitely need for example:

- Air-conditioning, Fridge & Ventilation repair and service
- Electrical repairing & servicing
- Solar Panel System for Heating, Hot water & Electric
- LPG Gas Services
- Glazing Services
- Property Refurbishment
- Building & Carpentry Services
- Carpentry service – Carpenters
- Decorating service
- Painter – Painting service
- Roofers - Roofing service
- Joinery Services
- Tiling Services – general building work
- Interior designers – Interior design
- Locksmith Services
- Building maintenance, home refurbishment

Moreover, to ensure his competence's level he was also the finalist of [Kingston Business Awards 2010](#) under Entrepreneur of the year 2010 category as well.

Again, in 2011 it's been such a great honour to receive another award from

[Kingston Business Awards 2011](#)

under the category of " Entrepreneur of the year 2011" this will give you even more peace of mind that you will not be disappointed when using Advanced Professional Plumbing & Heating Services Ltd

Our dedicated team of office staff are more than happy to give you friendly, professional services. All of the team have set up in office technology and organised a system that works really well to help you and everyone response and follow the jobs and all cases really quickly and efficiently so that you know you are in good hands.

## Why choose us?

### ***Benefits of Using Advanced Professional Plumbing & Heating Services London***

We strive to consistently and add value to people's lives by "wearing the customer's shoes" – in other words, we put ourselves into the customer's position; Secondly, Advanced Professional Plumbing and Heating Services London is creating jobs in all over London with our expansion and development plans in the future. We love meeting new people every day and have turned what we love doing into passion. And reality, at the same time – this provides London with more skill trades, to which it deserves – being the Capital.

We love London, the way of life and interesting people we meet everyday; helping customers in

different situations and all emergencies for example boiler breakdown, uncontrolled burst water pipes, gas leak, uncontrolled water flooding from the ceiling is both challenging and rewarding; We have the technical experience to get you out of troubles and to give YOU, the customer the best advice and duty of care you need. If a job was to run on for example, we would keep you fully informed and keep the charges "Sensible" and "Fair" on approach.
