

“Reliable Family Run (Husband & Wife Formed)”

“Twice recommended by “Time Out” London in 2006”

“Finalist of the Training and Development Barking & Dagenham Business Awards 2008”

“Finalist of the “Best New Business” and “Entrepreneur of the year” Kingston Business Awards 2010”

The price for Advanced Professional Building & Carpentry Services is realistic and covers a lot

of planning and drawing services as well. I recently purchased a bungalow and had all recommended builders, tillers, joiners, interior designers, plumbing and heating fitters to come and handle the conversion from the bungalow into a luxury home. They turned the project around in only two months and helped me make a good profit.

Building contractors from Advanced Professional Building & Carpentry Services are good for any council, letting agent, commercial property owner because they help and advise them on various construction issues. They also provide you with building written reports as well. I have given their details to most of my family and mates. They have comment highly of them.
