"Finalist of the "Entrepreneur of the year" Kingston Business Awards 2011"

Knowledge about Kitchen Canopies

Type A Extraction Canopies

These canopies are manufactured in large production line factories similar to the car industry, this type of manufacture is extremely cost effective with out affecting quality this clever design which includes integrated fan, baulk-head lights and fully wired means installation is relatively straight forward.

Type B Extraction Canopies

Medium duty canopies designed and manufactured to your specific requirements from a basic wall mounted to central island design, manufactured from 304 stainless steel fully welded with polished corners and riveted plenum chamber, complete with baffle filters and drip trays. Available in any size or shape, build to meet the requirements of your kitchen including ductwork, fan speed controller and fan.

Type C Extraction Canopies

Heavy duty canopies designed and manufactured to your specific requirements, manufactured from 430 stainless steel, the design is CAD drawn and then manufactured by automated punch press giving ultimate accuracy and precision engineering. Fully welded with polished corners. Made in sections we can make and install the largest commercial canopies available

We offer all commercial & domestic gas catering to all types of commercial and residential customers :

Being landlords or tenants?

You may be a landlord who has many properties to rent out to tenant while you are abroad and need a reliable company to carry out the work professionally for you. You may be the tenant who can't get in touch with the your landlords/landladies that easily or immediately when you need some jobs done very quickly. You may want to have some jobs such as gas repair, bathroom or toilet installation, boiler replacement, emergency gas or water leak to get sorted out as urgently. Advanced Professional Plumbing & Heating Services can help you with all aspects of plumbing and heating and multi-trade service. These are not problems at all as we are here for you. It's even easier for you when you need to make any payment as we have credit card/debit card or BACS transfer payment facility available to all of you who are property owners and tenants.

Customers from surgeries, clinics or hospitals?

Being in Surgeries or Clinics or hospitals? doesn't matter if there are many patients in the hospitals but it's not a problem when we work we will work safely and tidily as we know it's very important to get the work done efficiency and properly you need gas engineer who has a lot of experience otherwise you will cause inconvenience to the patients or hospital staff for example if you have any burst pipe, pipe leaks or if you need copper pipe repairs and someone to do pipe fitting we have all pipe fitters to help you even though the pipe leaks, you need any plumbing fittings if you need macerator installation done we can help you with any macerator toilets, macerator pumps, saniflo macerator problems

Apart from that we can still deal with air-conditioning repair and ventilation maintenance we deal industrial air conditioning units whatever the type it is split system air conditioning or portable air conditioning units or wall mounted air conditioning until commercial air conditioning installation, room air conditioning in case you have to get air conditioning heat pumps repaired or industrial air conditioner

Customers in cinemas or theatres ?

Being in Cinemas? You will have Even though you are at home you may have mobile air conditioning units or any type for example industrial air conditioning, home air conditioning Advanced Plumbing and Heating Service is one of air condition units, air conditioning installation companies who can deal with wall air conditioning units, install air conditioning for you or refrigerators we can deal with all types for you. As in cinemas you will need to have fridge to keep the foods, drinks eatable so Advanced Plumbing and Heating Services doesn't just deal with air-conditioning only but we also deal with fridge breakdown repair / Refrigerator repairs talking about fridge repair we would normally make sure to have gas in the systems and we deal with any manufacturer hotpoint refrigerator repair, cooler, freezer repair, hotpoint refrigerator repair, samsung refrigerator repair, air conditioner repair, air conditioner repair, stove repair, washer dryer repair, washer dryer repair, fix fridge.

Restaurant customers?

You will need to have boiler serviced done yearly, get your commercial gas cooker repaired, your commercial grill or oven are not working you know who to call! Gas safety and electrical safety certificate are always important things for you especially when you have responsibility for your staff's safety as they need to be able to work safety. It's the owner's responsibility to get all your gas appliances, heating appliances, air-conditioning appliances, plumbing appliances checked over and make sure are. Our recommended gas safe plumbers (corgi) engineers are able to help with all this
