Urgent toiler replacement may be needed sometimes if you ever experience serious toilet leaks or bust toilet pipe. At Advanced Plumbing and Heating Services – our reliable plumbers know [how to replace toilet](#)

. Our plumbers will check if there is any

[leak from toilet cistern](#)

or not or if the toiler cistern is too old and too weak. Sometime you may have problem with the toiler flush if that so we will check if there is a problem with

[toilet ballcock](#)

or

[flush valve toilet](#)

.

Some people have macerator (a type of toilets) this one can be difficult to repair and maintenance if you don't know the tactics. But we can do [saniflo macerator](#) installation we know how to fix and we know how to install a new toilet,

[macerator pumps](#)

without any headache. Out

[toilet installers](#)

have good reputation so you will be pleased to know that you will have the best installers who will satisfy you and if you want to find out

[cost to install a toilet](#)

, bathroom, sink, tap, shower or anything to do with plumbing and heating you just simply call our reliable emergency plumbers.

When you come across serious situation where you have emergency burst water pipe you need to know how to find good plumber. If you have emergency gas leaks you will need to check gas safe website as they are the government who controls all gas regulations Advanced Plumbing and Heating Services is on their website <http://www.gassaferegister.co.uk>

In this situation you may have lead pipe or what we call lead lock, underneath the bath and they can be difficult to get access to and to repair these leak lock and lead or normal copper pipes so we have specialists who can look after you on this. Repair pipe, pipe fitting or pipe replacement and we need to find where the leak comes from and repair it first then freeze the pipe and we have all plumbing fittings and freezing kits to help you with this situation whatever if it is drainage pipe as we can't stress enough how important it is to get burst pipe fixed properly

We are passionate about what we do, how we fix, replace and in stall toilets and bathrooms.

We strive to offer 'value for money' with a clear focus on a combination on quality and price and we are fully aware we operate in a competitive market, therefore it is our aim to offer prompt, competitive pricing on all our products and services.

Our installation service is provided by our own installation teams backed by an exclusive 5 Year Installation Warranty. All our staff are fully qualified, CSCS card holders, carry ID and are CRB checked.
